THE DUNES

The Dunes is Barnbougle's original course, located on Tasmania's east coast 80km from Launceston.

The course itself has been carved from the surrounding sand dunes, creating a natural course that meanders along the coastline. It was designed by world renowned architect Tom Doak and Mike Clayton who were tasked with creating a unique Australian destination course that paid homage to the seaside links courses of Scotland.

The course provides a variety of different tee boxes, measuring 5642 metres off the average tees. A stray tee shot can prove costly, with the long marram grass concealing burying golf balls. When the wind picks up of the ocean, the course can play entirely different.

Barnbougle Dunes is truly a memorable golf course created by enthusiasts for enthusiasts. The course is highly regarded, recently rated as the #2 Golf Course in Australia and #11 in the world.

"Absolutely stunning. I think that this is not only one of Australia's best, it is one of the best courses in the world, old or new."

LOST FARM

Located on the other side of the river dividing The Dunes sits Barnbougle's second incredible course, Lost Farm. It is dramatically different yet exquisitely complementing of its big brother course. This 20-hole course is considered a more manageable course and offers an enjoyable and utterly memorable experience. With incredible ocean views, strategic bunkering and undulating greens it is no surprise that Lost Farm is ranked as the #3 golf course in Australia.

BOUGLE RUN

Bougle Run offers an experience unlike anything of its kind in Australia! This 14-hole short course is situated above the sand dunes behind Lost Farm and provides utter enjoyment. It is the perfect addition to the two championship courses and demands golfers to think creatively. Set slightly away from the coastline, it provides golfers with aerial-like views over the entire property. Such is the regard for the course, Golf Australia has recently rated Bougle Run as the 38th best course in Australia.

WELCOME PARTY

Shortly after arrival we host a welcome party located at Lost Farm.

Here you'll meet other golfers and the Golfer Tour team.

Following this, enjoy some delicious local food inside the sports bar. Food provided includes outback BBQ steaks, sausages, grilled chicken and a selection of sides.

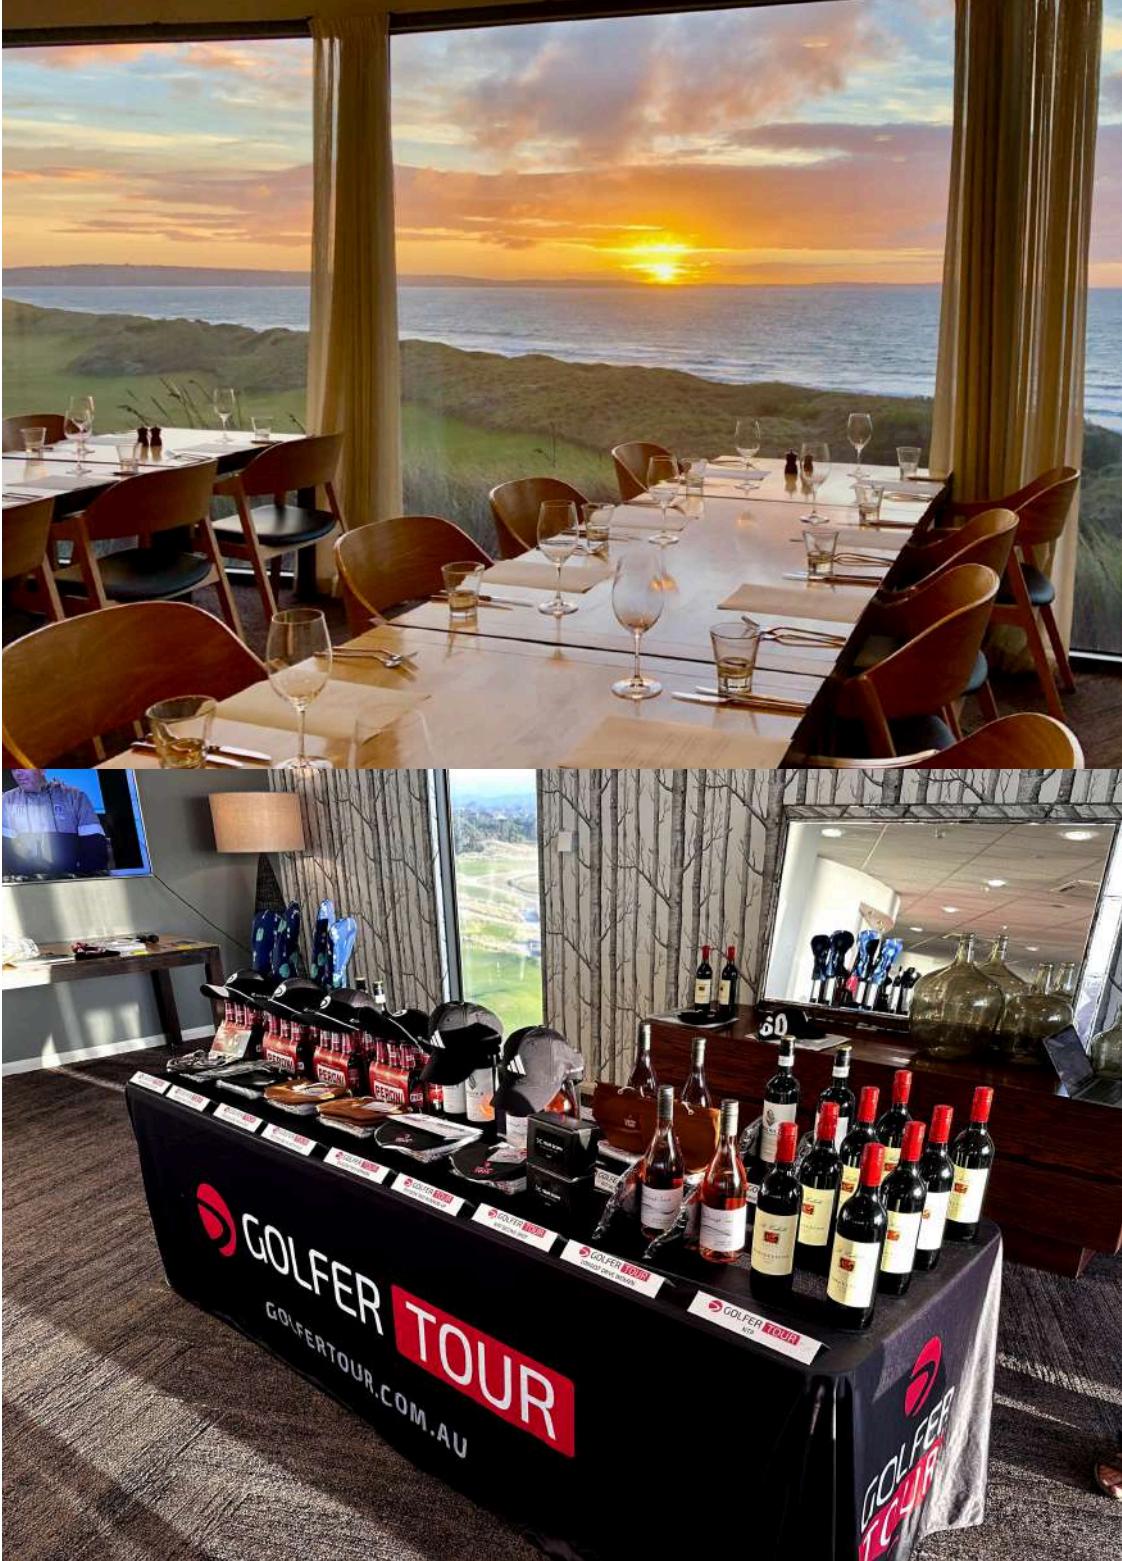

PRESENTATION DINNER

One of the highlights of this trip is the presentation dinner at the Lost Farm Restaurant. Enjoy an incredible three-course meal whilst admiring the stunning views of Bass Strait and the pristine Barnbougle Beach.

Perched on top of a towering coastal dune with spectacular views of both the course and ocean, the Lost Farm Restaurant deliver an unforgettable culinary experience.

The restaurant prides itself on complementing the stunning location with incredible food. Here you will enjoy a taste of Tasmania on your plate through freshly caught seafood, locally grown produce and award-winning harvested wines.

The presentation includes a huge selection of prizes worth over \$3000 for golfers in both Division's 1 and 2. Prizes are awarded based on overall performance and we also award 'Nearest to the Pin's', 'Longest Drive's' and other novelty prizes.
